

Contact the helpdesk

If you need help or wish to raise a support request, you can contact the SafetyNet IT team using any of the methods below.

Email

Send us a message at

support@safetynet-it.com

This will automatically create a support ticket, and one of our engineers will respond as soon as possible.

Phone

Call us on **(+44) 0333 305 8224**

 Available **Monday to Friday, 8:30 AM - 5:00 PM**

If your issue is urgent (for example, you cannot log in or access business-critical systems), please call rather than email.

Support Portal

If you have a portal account, you can log in to:

 **<https://service.safetynet-it.com/portal/home>**

From the portal you can:

- Raise new tickets
 - View updates on existing tickets
 - Review your company's open requests
-
